

## Gregg Marston

Board Director

Gregg Marston joined VBT Bicycling Vacations as President in 1999, acquiring it in 2005 and leading an extensive European and worldwide expansion. The Marstons sold the business in 2012 while remaining active in global travel and tourism.

Focusing on his passion for charitable work, Gregg established Shake Hands With the World Foundation.

Gregg was introduced to STREETS several years ago and quickly became a strong supporter after meeting Neal and visiting STREETS in HoiAn. He actively participates in STREETS' annual events in both NYC and HCMC.

In addition to his generosity and support, Gregg has brought a wealth of other sponsors to STREETS, including the Grand Circle Foundation of Boston and Cambodia-based Grasshopper Tours.
